
FLASH FROM 4500

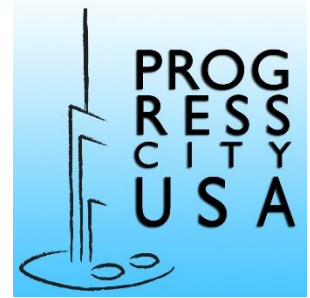

A Hurricane Test Alert will take place throughout Walt Disney World beginning 10:00 a.m., Tuesday, September 18, and continuing for a period of 72 hours, ending Friday morning at 10:00 a.m. All employees are encouraged to participate in the test.

Our hurricane will be named "TESTOR". Think of emergency conditions that could arise in your area in the event of a real hurricane (flooding, broken windows, etc.), then call your test situation to Net Control (Security) at 824-2222, Extension 4777 or 4781.

You may hear weather reports and hurricane conditions being broadcast by Net Control during this 3-day period. In the event a guest overhears one of these broadcasts, be sure to inform him of the test and assure him there is no reason to become alarmed. Remember, these are only test conditions.
